

Job Description

Lead – English Curriculum & Pedagogy (Grades 1–10)

About Muktangan

Muktangan is an innovative, inclusive education initiative demonstrating how community members, empowered with the right beliefs and skills, can drive excellent learning outcomes. Through our Hub-and-Spokes model—comprising a Teacher Education Centre and 7 municipal schools in Mumbai—we provide free, high-quality English-medium education to over 4,000 children annually and have developed 1,000+ community members as teachers.

We collaborate with institutions such as UNICEF, BMC, Government of Maharashtra, TISS, University of Pennsylvania, and leading universities in the UK. Our outreach has impacted 75,000+ children and 5,000+ educators across India.

Key Responsibilities

A. In-Service Teacher Education & Curriculum Development

- Lead development and refinement of the English curriculum (Grades 1–10) aligned with constructivist pedagogy
- Design TLMs, lesson plans, and assessment frameworks
- Facilitate regular teacher learning forums and professional development sessions
- Build teachers' English proficiency (reading, writing, speaking, listening)
- Model constructivist practices through demonstration lessons and co-teaching
- Mentor teachers through classroom observations and feedback
- Track and document impact on teaching practices and student learning

B. Outreach and Advocacy

- Conduct needs assessments with partner organisations
- Co-design curriculum and TLMs for partner contexts
- Facilitate trainings (in-person/virtual)
- Conduct classroom observations and provide structured feedback based on M&E frameworks

C. Organisational Development

- Research emerging trends in English education
- Represent and advocate Muktangan's work through seminars, publications, and networks
- Contribute to thought leadership in English curriculum and pedagogy

Qualifications

- M.A./M.Phil. (English) with B.Ed.
- Minimum 3 years of teaching experience (primary/middle school) is required
- Additional 2 years of experience as teacher educator or trainer is desirable

Key Competencies

- Strong interest in curriculum design and teacher development
- Excellent communication and interpersonal skills
- Ability to design relevant, engaging learning content (including use of technology)
- Working knowledge of Marathi/Hindi preferred
- Strong collaboration and project leadership skills

- Flexibility in a dynamic work environment

Remuneration

Competitive, as per industry standards
